

TOUGH TRAC™

UTILITY SPEED MOUNT 2011

TOUGH TRAC™

The Utility Speed Mount is the TOUGH TRAC™ solution for a one piece, one panel install that is quick and easy for all utility companies to mount solar panels on their poles.

Are you a Utility Company looking for an easy pole mount to install your solar panel? Looking for the fastest setup and not worried about dozens of parts? This TOUGH TRAC™ Utility Speed Mount is your solution for your project. An all one piece aluminum design pre-assembled at the factory, our Utility Speed Mount comes right out of the box and ready to be mounted on your pole.
